Sustainability:

I've had numerous questions about the Walking School Bus next year so I'm hoping to clarify. I'll do this in a FAQ format.

Question: Will our school continue the program next year?

Answer: That's entirely up to your school/district, our (PedNet's) involvement with your school ends at the end of the spring 2015 semester.

Question: Does PedNet have any funding available to pay for our program next year?

Answer: No, we believe in funding the programs for one year as a way for individual school districts to decide if the Walking School Bus is a good fit for their district. If they do, then they will figure out a way to pay for it themselves.

Question: Will I (you) be the Walking School Bus Coordinator next year?

Answer: That's up to you and your school.

Question: Will there be a statewide Walking School Bus program in Kansas next year?

Answer: I hope so. This program has been incredibly successful and has garnered national attention. I'm currently working with potential funders to see if we can work out a deal. However, if there is a program next year it will involve different schools.
