

1. Budget sheets are going to principals/superintendents today. Two have already been sent. I need to know if you would like to be the coordinator for the 2015/2016 school year...if the school board decides to pay for the Walking School Bus at your school? Please answer in this weeks submission form. Just to clarify, my involvement in your Walking School Bus program will end this spring.
2. I'm copying the coordinators on the budget sheet email to your principal or superintendent. If they do not respond, I may need you to gently remind them to respond at their convenience.
3. Your final stipend check will be mailed around May 15th. We are sending out \$10,500 worth of checks at one time. Please cash your check as soon as possible. I'd like to be able to invoice KDOT for those stipends at the end of the month, but cannot do so unless they have cleared the bank. You'd be doing me a huge favor by cashing/depositing your check within a few days.
4. Photographs. Please. ☺
