

Greetings!

I'm sure that you are all working hard on the Walking School Bus these days! Depending upon your start date, you either have one or two weeks left for recruiting adult volunteers and kids. The finish line is almost here!

In this week's form I'd like for you to do a few things in addition to your normal update.

1. Let me know when and where your volunteer training events are happening.
2. Let me know how background checks will be completed on your volunteers.
3. Let me know when and where you will be planning your Walking School Bus Routes.
4. Let me know if I can assist you in planning your routes. I'd be happy to do so.
5. Go to www.doodle.com/pednet and schedule a time for you and I (Robert) to talk this week.

Please remember that I am here to assist you. This website and these PDF downloads are ways for us to communicate, but not the only way. I'm always available by telephone or email to assist.

Thank you!

-Robert
