

At this stage your focus should be on recruiting volunteers, as you have about three weeks of recruiting time left.

Remember that due to people's varying time commitment and availability on different days, that it takes several people to make one route. Sometimes it can take as many as 6-8 individuals per route.

Most coordinators are surprised and wished they had put more effort towards recruiting volunteers when the route planning begins.

Please let me know if you'd like to meet via telephone and discuss volunteer recruitment.
